

Shopping in Winnipeg is much different from shopping in Poland. It is so much easier to shop in Winnipeg than in Poland because most of the stores in Canada sell many different items, while in Poland there are more specific stores. Shopping in Winnipeg is much less expensive than in Poland, because there are many more sales and many more promotions. In Winnipeg you can buy much more advanced electronics and computers. In Poland there are many more open markets than in Winnipeg and people tend to buy more things from open markets than in Winnipeg.

In Winnipeg the service is much better than in Poland and store clerks are more friendly. In Poland you usually can't make returns or exchanges, while in Winnipeg this is a very common practice. Even though it may be difficult to shop in Poland, almost everything is much more fresh and much less genetically modified. You can buy a lot of beef fresh from the oven at any time of the day.

In Winnipeg shopping may be much easier, but atmosphere is not as in Poland. Overall shopping in Winnipeg is much easier and much more fun than it is in Poland.
