

# Recognition of Prior Learning (RPL) Practitioner Certificate

## Red River College of Applied Arts, Science and Technology

This June, we are pleased to once again offer **2 RPL Practitioner Summer Institutes**. Both institutes are credit courses in the **RRC RPL Practitioner Certificate**. Detailed information on the RPL Practitioner Certificate is available at [www.rrc.ca/rplcertificate](http://www.rrc.ca/rplcertificate).

Join us this June for these special learning events...

**RPL Foundation Summer Institute (PLAR-1200)** – This is our 9<sup>th</sup> annual RPL Foundation Summer Institute. Join us for this 5 day institute from **Monday, June 13<sup>th</sup> - Friday, June 17<sup>th</sup>, 2011**. In the past, these institutes have attracted participants from Manitoba and across Canada, as well as international participants. Over 640 practitioners have completed this course – the first course in the **RPL Practitioner Certificate**.

**RPL Special Issues Summer Institute (PLAR-1202)** – Our 2<sup>nd</sup> annual RPL Special Issues Institute is set for **Monday, June 20<sup>th</sup> – Friday, June 24<sup>th</sup>, 2011**. Prior to this 5 day institute, participants are required to complete an online module. The prerequisite is the **RPL Foundation** course or equivalent prior learning.

Both institutes will be held at Red River College's Notre Dame Campus in Winnipeg, Manitoba from 8:30 am - 4:30 pm each day.

**To register, please contact RRC's School of Continuing and Distance Education at 1 866 242 7073 or visit [www.rrc.ca/rplcertificate](http://www.rrc.ca/rplcertificate)**

**Please register early, as space in both institutes is limited.**

Please share this information with others who may be interested and contact me with any questions or for further information.

Thank you,

**Deb Blower**

### **RPL Foundation Summer Institute 2011** Monday, June 13 – Friday, June 17, 2011

Acquire the fundamental knowledge and skill to effectively implement RPL/PLAR. Learn about basic principles of RPL/PLAR; how to develop learning outcomes, sound assessment practices, the portfolio and other methods of assessment; the role of the Advisor, Assessor and Facilitator; and how to put RPL into context for development of a credible system. This course was formerly PLAR-1000 PLAR Foundation.

### **RPL Special Issues Summer Institute 2011** Monday, June 20 – Friday, June 24, 2011

Learn about the key issues in RPL practice and new innovative practices and trends in the RPL field. Gain experience with the development of project management skills, exploration of current research, implementation of RPL professional development, qualification recognition, and explore other related topics in the RPL field.

*(Note: The online module, to be completed prior to the Institute, opens May 24, 2011.)*
